

DSLPOA Open Executive Position Roles

For Director, Newsletter and Directory:

Calling all creative communicators on Drag & Spruce Lakes.

We're looking for a Director of Newsletter & Directory to join our lake association board.

If you enjoy writing, design, or keeping our community connected, this role is perfect for you!

Responsibilities include:

- Producing a seasonal newsletter (stories, updates, and lake news)
- Updating and coordinating with our local publisher for the annual member directory
- Organizing mailing and distribution
- Working with the Director Advertising
 - o *this role and the Director Advertising can be the same person*
- Helping share the great things happening around our lakes

No prior board experience needed—just a passion for our lake community and organizational skills. Serving on the Executive also gives you the opportunity to champion and advance the projects you're truly passionate about – you won't be shoehorned into rigid roles.

Help keep everyone informed and connected! Interested or know someone great? Comment below or message us.

For Director, Advertising:

Calling all outgoing networkers and community supporters on Drag & Spruce Lakes.

We're looking for a Director of Advertising to join our lake association board.

If you enjoy connecting with local businesses, supporting our community projects, or helping fund important lake initiatives, this role is perfect for you!

Responsibilities include:

- Contacting and recruiting local advertisers for our annual Directory
- Collecting ads and coordinating with the editor and publisher
- Receiving and organizing advertising payments
- Working closely with the Director of Newsletter & Directory
 - *this role and the Director Newsletter & Directory can be the same person*
- Helping generate revenue that supports DSLPOA activities and communications

No prior board experience needed –just a friendly personality, good organization skills, and a passion for our lake community. Serving on the Executive also gives you the opportunity to champion and advance the projects you're truly passionate about.

Help keep our association strong and well-funded! Interested or know someone great? Comment below or message us.

For Director, Membership:

There is strength in a healthy growing membership!
Love our lake and want to help it thrive?

We're seeking a **Director of Membership** for the DSLPOA board!

This important role focuses on:

- Maintain membership records under current privacy policies,
- Update fee payments/ area director lists,
- Receive and bank cheques,
- Coordinate payments with treasurer & advertising chair.

It's a rewarding way to ensure our association stays strong for years to come.

Your efforts will make a big difference! If this sounds like you (or someone you know), drop a comment or send us a message.

Serving on the Executive also gives you the opportunity to champion and advance the projects you're truly passionate about – you won't be shoehorned into rigid roles.

Together we protect and enjoy our lakes!

For Director at Large

Help shape the future of our Lakes!

We're looking for an enthusiastic Director at Large to join our lake association board.

This flexible leadership role is ideal for someone who wants to contribute without a fixed portfolio. You'll:

- Participated in board meetings and decision-making
- Support various projects as needed (events, lake protection, community initiatives)
- Bring fresh ideas and energy to keep our association vibrant

Great for anyone who cares about water quality, community events, or preserving our beautiful lakes for future generations.

Serving on the Executive also gives you the opportunity to champion and advance the projects you're truly passionate about – you won't be shoehorned into rigid roles.

Board service is a fantastic way to give back and meet great neighbors. Interested? Reply here or reach out privately—we'd love to chat!
